Dedication

WE, THE editors, dedicate this annual to Mr. H. Drummond Dee who has given many years of service and devotion to Victoria High School. It is fitting that such service should be rewarded with the promotion he has received.

Farewell

I AM leaving the school with mixed feelings. After thirty-two years at Victoria High, I will not find it easy to tear up my roots which are buried so deeply and interwoven so closely with its life and traditions.

I sincerely believe Victoria High to be the finest high school in British Columbia. I would like to think I had a humble share in making it so. Be that as it may, I hope that the old school will continue to hold its head high, and I will hold and treasure the many, many friendships which I have made with its staff and its students.

Foreword . . .

THE editors are dedicating the Annual this year to the future—to their future, to the future of British Columbia, and the future of Canada. This is one future because these elements are all bound together. There is no future in our Province or in our Dominion apart from the young people who live in it and who will build it. One does not always realize this, but it should be remembered, so that when the future becomes the present, and the present recedes into the past, you who are now dedicating yourselves to the future, may then look back with a sense of satisfaction and fulfilment.

Valedictory . . .

AS WE, the "class of '59" approach graduation, we face the event with mingled feelings of joy and awe. We have culminated twelve years of effort and now step forward to encounter the future. As we pause we look back over the years of our school life, we remember the many happy friendships we have enjoyed, especially during our three years spent at Victoria High School. We realize too, that not always did we fully appreciate the efforts of our teachers, or the devotion of our parents, and at this time we would extend to them a humble and sincere "thank you".

A deep sense of pride is ours, that we are graduating not merely from "high school", but from Victoria High School with its honoured traditions and its proud achievements.

A bit hesitantly we may face the future, but we remember that

"All experience is an arch where through
Gleams that untravelled world whose margin fades
Forever and forever" as we move.

So we step forward with confidence knowing that our years at Victoria High School have better prepared us to take our place as individuals, as Canadians, and as citizens of our world.

HARRY SCOTT—Harry finds an interest in almost everything, playing chess but liking fishing and hunting best. Harry has singled out marine biology as his future.

GARY SHEPPARD—Another RCMP recruit who likes cars, girls, bowling and outdoor sports.

DAN WALKER—Dan intends to apply for aircrew training in the RCAF. His hobbies are identifying aircraft and ships. Dan enjoys swimming, rugby and badminton.

JIM WRIGHT—Jim is a member of the band, and his outside interests include sea cadets, and Wrenettes. Jim is undecided as to his future.

Y-Teens

Marshalled by their lively President, Lynne Marsh, the Y-Teens have had a notoriously successful year.

Y-Teens, easily recognized by their blue and white uniform, have promoted sock hops, and candy and ice cream bar sales in order to raise money for the support of their adopted Maltese orphan. They also continued regular school services of maintaining the Lost and Found and ushering at school functions.

In February eleven elected girls were part of Victoria's delegation to the Provincial Y-Teen Conference held in Vancouver. Other memorable occasions were the Recognition Service and the popular April Prom.

Mrs. Martin and Miss Jones were their able sponsors.

Alpha Hi-Y

Socks for the Totems and a school banner were Alpha Hi-Y's contribution to Vic High for this year.

While Alpha doesn't need money bad it still sold hero buttons, pop and potato chips at games, and records at their recent record hop.

Leading Alpha through this very successful year were: president, Darrell Lorimer; vice-president, Charles Brown; secretary, Malcolm Shanks, and treasurer, Bill Hobbis.

Beta Hi-Y

President, Bruce Warburton; Vice-president, Doug Dickie; Secretary, Dave Dawson; Treasurer, Bryan Ralph; Padre, Tom Wyatt; and Sergeant-at-Arms, Jim Moore comprised this year's executive.

All the "Betanicks" lived up to their record of school service this year. They donated soccer socks to the Junior Soccer Team, distributed free basketball programs, and sold pop at the basketball games and dances. Special thanks go to the club for sweeping down the tennis courts. The club also subsidized members who attended the Hi-Y Conference in Vancouver..

The "Betanicks" convey their thanks to Mr. J. Andrews, this year's "patient" sponsor.

Concert Troupe

Under the direction of Miss Norma Douglas, the choir had its most successful year in a long time. They went to Vancouver in April to compete in the B.C. Music Festival and made a good showing with one first, one second, and two thirds. However, on entering the Victoria Festival a week later, they swept the boards, winning five firsts in the five events they entered and collecting three scholarships totalling $75, a profitable climax to a successful year.

The Band

This year the band, reinforced by a large number of capable grade tens, attained a wide reputation for good music which can be directly attributed to the excellent tutorage of Mr. Grant. They received a good mark in the festival and participated in the May Day parade and the I.O.D.E. Ceremonies. They also made an exchange trip with a band from Everett, Washington, in May. Above all, the band hopes they have provided some worthwhile entertainment for the school in their assembly programmes.

The Orchestra

Efficiently conducted by Mrs. Evans, the Victoria High School Orchestra has made quite a name for itself in local music circles. With Pat McIvor as president, Corrinne Field as vice-president, and Bruce Dunn as secretary-treasurer, the 20 members of the group played in several assemblies, in the Vic. High Easter Parade, and also in their own concert.

Entered in the Victoria Music Festival, they obtained high marks in each class. In competition against bands, orchestras, and choirs, they received some of the highest marks at the Western Washington College of Education in Bellingham.

Hard work and lots of fun have gone into making this a successful year and next year holds bigger and better promises.

The Dance Band

On the auditorium pad every Monday and Thursday noon the members of our "Beat Generation" dance band swing out with some cool idiom of pops, dance music, or way-out jazz. They made it with the help of their hung-up sponsor Mr. R. K. Bloomfield and were assisted by Mr. St. Clair on occasions. They put on two flip sock-hops for the Y-Teens which went off crazy like and showed the rest of the creep school what kind of wig our dance band really is. Blowing a mean resonance on folded horns were Jim Hawthorne and the President, Doug Nicol, and on the tailgate trombone position were Bryan Ralph, Dave Dawson and John Townsend. Playing the skins were Rick Acres, Brian Coalston, and Barry Slagboom. The box was handled by a cool cat named Jim Moore. To anyone not under the influence of spodiodi, or the pod, the dance band provided a way out Beatnick beat to help put down the hung-up drag of school-work and exams. All in all the group had a very swinging year and man-like, who can't be with it when any scene full of poorboys goes with the cool wig these hipsters did.

Grad Dance Team

The Grad Dance Team will again perform at the graduation ceremonies. Instructed by Miss Sutton and Mr. Pluym, this group of grads soon picked up the steps of the two Ballroom Waltzes which have become traditional with the ceremonies.

Modern Dance

Under the sponsorship of Miss M. Bassett, the Modern Dance Club met Tuesdays after school, the object being to practise rhythmic and creative movement.

'Posture Patterns' was performed for the Gym Display at Central Junior High, and for the Easter Concert.

Members of the team were Diane Phillips (president), Dianne Bouchard, Gloria Mobey, Sylvia Mobey, Rosemary Tierney, Jan Hayes, Sandy Jones, and Karen Logan.

Square Dance

Under the capable leadership of president Larry Mitchell and an executive consisting of vice-president Terry Marlow and secretary-treasurer Joan Webber, the Square Dance Club had a most successful year. Composed of 125 members, the club entered two squares of picked dancers in the Victoria Festival and tied for second place with 89 points, only one point behind the winners. Much credit is due to their sponsors, Mr. Wallis and Mr. Trotter.

Calamity Players

Under the capable leadership of president Penny Tisdall, "The Society for the Production of Corn" had a most successful year. They presented five skits advertising "Booster Passes"; "Lust for Life"; the "Co-Ed Dance"; the 'Easter Parade"; and the Sports Dance. Much credit is due to their sponsor Mr. Mayne.

Thespians

Thespian troupe number 560 of Victoria High School consists of students who have earned a required number of points by acting, singing, directing, or working backstags. President of the year's troupe, which is part of a national organization, was Horace Mayea. Sponsored by Mr. Mayne, they produced in December a three-act play called 'Lust for Life". Other executive members include, Penny Tisdall, vice-president; and Kathy Hatch, secretary.

Camosunet

With editors Pat Paterson, Anne Sulsbury, and Sue Humphries, and staff adviser, Mr. Murphy, this year's Camosunet staff, with the help of the journalism classes, was successful in producing several popular copies of the newspaper.

Garrie McNaughton and Steve Holburn were in charge of the boys' sports while the editors exchanged the jobs of Girl and Boy of the Month and girls' sports. Completing the staff is Lynda Roylance who had the jobs of Exchange Editor and Girls' Fashions writer.

Division Seven, headed by Phyllis Pluym, provided the Ad Solicitors for this year.

I.S.C.F. Club

Meeting every Thursday noon at the Emmanuel Baptist Church our club has enjoyed debates, quizzes, slides and films, interesting interviews, Bible studies, and music including special numbers and group singing.

We were privileged to have speakers of unusual calibre from many parts of the world, for example: Dr. Lucille Wilson, who dramatically showed the likeness of cancer of the body to sin of the heart; Mr. Felix Lloyd Smith from Australia, who showed slides and displayed curios; Bahkt Singh, well known Indian evangelist; and Mr. Philip Keller, photographer for the National Geographic Magazine.

Social events included a progressive dinner, a house party, several "Firesides" and water skiing at Shawnigan Lake. A Grad banquet in June concludes the season.

Leadership has been in the hands of our hard working president, Sharon Whellams, assisted by Ernie Byrnell, vice-president, and Clara Mary Chapman, secretary-treasurer. Jack McNeil, Nancy Pollard, and Maurice Stevens, other members of the executive, plus the keen interest of many students have combined to make the year most successful. Attendances have averaged well over twenty.

Junior French Club

Consisting of French 20 students, the Junior French Club has been meeting every second Friday under the sponsorship of Miss Macqueen and Miss van Engel. The meetings were composed of French plays, records, songs, games and a puppet show.

President of the club was Genevieve Sawatsky, while Terry Martindale was vice-president and Pauline Owens was secretary-treasurer.

Student Librarians

These students have given up much of their spare time in the mornings, noon-hours, and afternoons in order to assist the Library Staff. Included among their many tasks, are the jobs of checking the books in and out, and replacing all returned books to their proper places.

Future Teachers' Club

This year's Future Teachers' Club, again the largest in the Province, was led by President, Terry Marlow; Vice-president, Lynda Roylance; and Secretaries, Pat Service and Lynne Speller.

Under sponsorship of Miss B. Sutton and Mr. D. Smith and along with the rest of the Programme Committee, these students planned the activities for the weekly noon-hour meetings. These programmes included speakers, a film, and panel discussions.

Two field trips were taken to observe teaching methods and conditions. In November the club travelled to the Elementary schools and in April to the Junior Highs. The success of these trips is representative of this year's Future Teachers' Club.

Future Nurses' Club

Under the sponsorship of Miss Crowe and Mrs. Martin, and with the guidance of Miss Henley, the Future Nurses' Club has completed a most successful year.

Executive members were Judie Veitch, president; Liz Aitken, vice-president; Diane Phillips, secretary; Dianne Pryznyk, project convener; Lois Elwood, programme convener.

Activities for the year included guest speakers, field trips, films, and projects.

Junior Red Cross

Again, as in the past, the Junior Red Cross Club completed another successful year of service. Under the sponsorship of Miss van Engel, with Darlene Hargreaves as president, Lillian Goodman as vice-president, Sharon Wilson as secretary and Diane Sheldon as treasurer, it made several worthwhile contributions to the betterment of mankind. Throughout the year the members collected two hundred dollars in the annual fund drive, made stuffed and wooden toys for under-privileged children, worked on health kits for foreign countries, and looked after the Chinese hospital on Herald Street, to which they paid monthly visits as well as giving Christmas, Valentine, and Easter parties. The members of the club who have given so much of their time to the activities along with the executive are: Tony Burrows, Linda French, Sandra Stevens, Norma Smith, John Fahey, Maurice Stevens, Doug Hougland, Derik Nutton, Lyle Kong, Pat McMurchy, Ann Moyer, Bruce Hawkes, Julie Lockett, Patti Bridges and Norman Cable.

United Nations Club

With its aim to promote the understanding of the function of their worldwide counterpart, the Victoria High United Nations Club enjoyed a prosperous year. To the annual inter-high model assembly which was held at Mt. Newton High this year, Vic. High sent delegates representing the Soviet Union, Hungary, and Saudi Arabia. Under the expert guidance of Mr. Clark, these delegates promoted the prestige of Victoria High and its U.N. Club. The executive of this hard-working club is comprised of Grace Maurice and John Sargent as president and vice-president respectively, while Renée Clark performed the secretarial duties.

Amateur Radio Club

Known as VE7AAG by members, this club has seen a most successful year. President Craig McTavish (VE7AHK), vice-president Simon Nankivell (VE7BAF), and secretary-treasurer Gordon Burleson (VE7BAV) received their call letters by passing the Department of Transport amateur radio exams.

Members have received code and theory lessons from their sponsor Mr. Stark.

From their Ham Shack in the Tech. Building, they have made contacts on the West Coast of the U.S.A. and throughout B.C.

Chess Club

Sponsored by Mr. Goulson, the Chess Club completed another successful year by winning the Baines-Lewis Trophy, (emblematic of high school chess supremacy in the city) for the third straight year. The executive consisted of president, Jeff Eng; vice-president, Fred Comer; secretary-treasurer, Joe Sam; others, Ken McCartney, Pat Cooper. At the B.C. High School Championship, Fred Comer placed third and Simon Whitlow and Joe Thompson finished in the top half.

Joan Cannon—Always ready with the latest in gossip and jokes, Joan has proven herself to be an asset to the group.

Marilyn Arnold—Another quiet member, Marilyn has added much beauty to the group and her faithfulness has definitely been a help at the games.

Alix Esselmont—Another new member, Alix has been a great asset to the team with her charming smile and ability.

Glenda Lewis—This enthusiastic newcomer has been an excellent member with her twirling, drilling and cheerful friendliness. Next year's co-captain, we wish her luck.

Bev Lewis—The last but not the least of the newcomers, Bev has added sparkle and talent to the weekly performances.

Flo Chan—One of our tiny drummers, Flo has been an absolue necessity for the troupe.

Jane Lang—The other half of the petite drummers, Jayne also has been a great help to the Majorettes of '59.

Inter-House Track Meet

One postponement, bright (if breezy) weather, a roaring crowd and shattered records. . . .

This seemed to be the formula of success of Vic High's Inter-House Track Meet on Wednesday, May 20, as some 200 of our best athletes gave everything for their house and the individual championships.

Frantic calculations at the end of the day showed that House I had made off with the point race, Dave Haegart and John Cliff with a few records and some profiteers with a lot of pop bottles.

But the happiest person when it was all over was Sandra Futcher as she repeated last year's performance and carried off the senior girls' championship for the second straight time.

However, Jean Bennett, Ray Harris and Terry Cox weren't exactly sad as they walked off the field with the junior girls', senior boys' and junior boys' championships respectively.

John Cliff lead the record smashers setting new marks for the senior boys' 880, mile and 2-mile events, while Dave Haegart lowered the junior boys' 440 and 220 times.

The only relay to feel the record attack was the junior boys' 440 as the House II squad lowered it to 48.6 seconds.

When all was said and done, only two things could be heard . . . cheers of jubilation from House I and vows of vengeance from House III.

Final House standings go at follows:

House I	184	points
House II	167¾	points
House IV	145¾	points
House III	75½	points

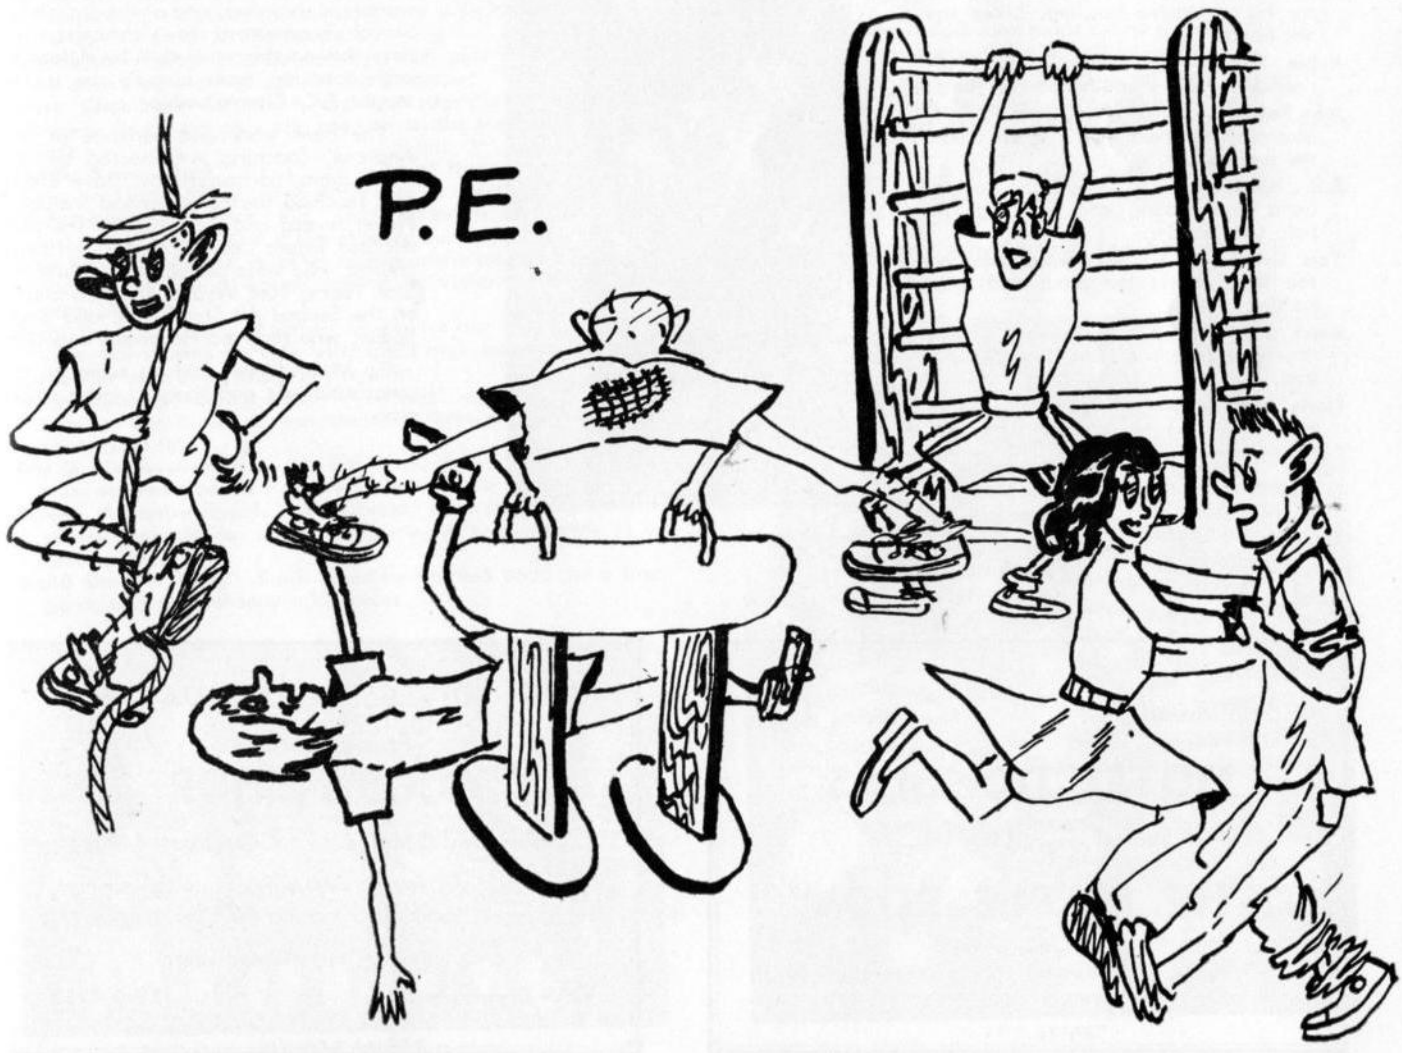
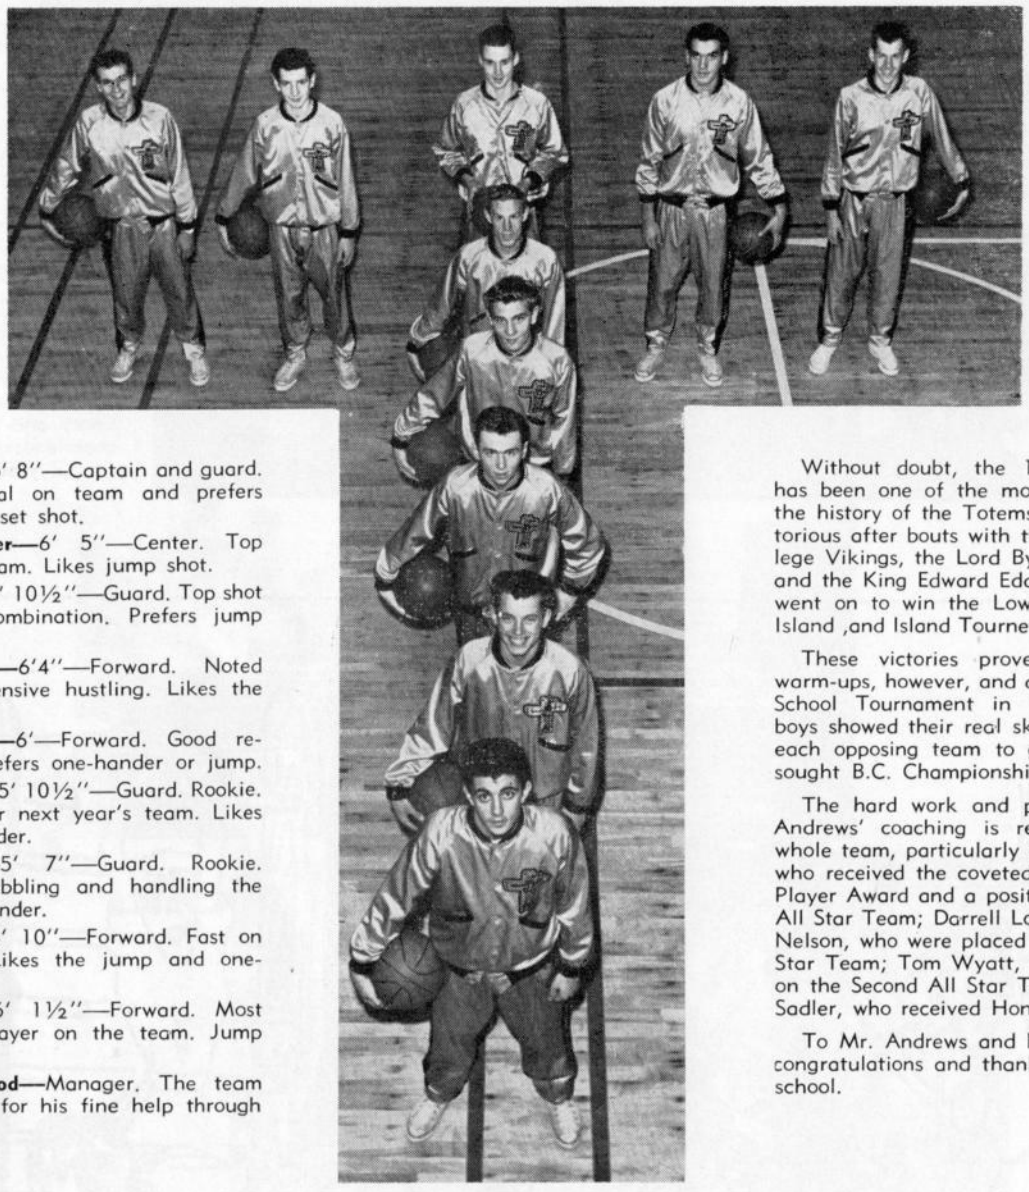
Cheerleaders

Accompanying Vic High's many victories this year was the enthusiastic group of nine "peppy" cherleaders. The highlight of the year came when they accompanied the Totems to Vancouver for the B.C. Basketball Tournament.

The group could be credited for the increase of spectators at all Totem games, football sessions, the swim gala, and the track meet. Composed of Rosemary Tierney, Bonnie Kepner, Carole James, Vivi Petersen, Arlene Bossom (captain), Jim Moore, Bruce Warburton, Alex Lacey and John Dobrocky, the cheerleaders had a very successful year.



Totems



Tom Wyatt—5′ 8″—Captain and guard. Floor general on team and prefers two-handed set shot.

Darrell Lorimer—6′ 5″—Center. Top scorer on team. Likes jump shot.

Dave Black—5′ 10½″—Guard. Top shot in guard combination. Prefers jump shot.

Dave Nelson—6′4″—Forward. Noted for his defensive hustling. Likes the one-hander.

Robin Barnes—6′—Forward. Good rebounder. Prefers one-hander or jump.

John Balloch—5′ 10½″—Guard. Rookie. Mainstay for next year's team. Likes the one-hander.

Bill Hobbis—5′ 7″—Guard. Rookie. Good in dribbling and handling the ball. One-hander.

Tom Collet—5′ 10″—Forward. Fast on the floor. Likes the jump and one-hander.

Keith Hart—6′ 1½″—Forward. Most improved player on the team. Jump shot.

Norm Isherwood—Manager. The team thanks him for his fine help through the season.

Without doubt, the 1958-59 season has been one of the most successful in the history of the Totems. Emerging victorious after bouts with the Victoria College Vikings, the Lord Byng Grey Ghosts and the King Edward Eddies, the Totems went on to win the Lower Island, Mid-Island ,and Island Tourneys.

These victories proved to be only warm-ups, however, and at the B.C. High School Tournament in Vancouver, the boys showed their real skill by defeating each opposing team to gain the much-sought B.C. Championship.

The hard work and patience of Mr. Andrews' coaching is reflected by the whole team, particularly by: Dave Black, who received the coveted Most Valuable Player Award and a position on the First All Star Team; Darrell Lorimer and Dave Nelson, who were placed on the First All Star Team; Tom Wyatt, who was placed on the Second All Star Team; and Barry Sadler, who received Honorable Mention.

To Mr. Andrews and his team go the congratulations and thanks of the whole school.

Senior "A" Rugby

Victoria High School's Senior "A" rugby team had a fine season this year under the capable coaching of Mr. J. Hill. Although they lost the Howard Russell Cup to Oak Bay in overtime, they defeated Victoria College, won the inter-school 7-man rugby final, and played many exhibition games against Shawnigan Lake, University School, and Qualicum College.

Mr. Hill—Team coach. A fine combination of Irish independence and Welsh determination. It was an honor to play for him, and this year's team wishes to thank him whole-heartedly for his guidance and care.

Dave Rees—Wing. Dave's sensational running this year made him awfully hard to stop. A mainstay on the 39 line.

Bill Gower—Stand Off. Bill's dependable team play and his "talented toe" pulled us out of many a tight spot. This is the boy to watch in the future.

Bud Foster—Wing. Bud never let a man past him this year. He's deadly in tackles and all out go-getter.

Bruce Chambers—Scrum. A classical example of brain vs. brawn. Bruce can play any position on the team and play it well.

Charlie Boas—Hook. "Chas" did a lot of fine work this year. His hooking made a lot of difference to our scrum play.

Ed Pottinger—Full Back. Big "Gub" pulled in some beautiful kicks this season. Was a big asset to our back field.

Dave Dawson—Centre. Another man of many talents. Dave can play in the line or scrum, adding individual polish to line team play.

Barry Bowen—Centre. Another reason for our strong 39 this year. Barry combines size with speed and dexterity. A good man to be playing with, not against.

Mervyn Goodey—Scrum Half. "All Heart" and not enough of him to hide it. Merv. was the spirit behind the team. He never gave up.

Eric G. Robinson—Spare. Big Eric could spread that Robinson class anywhere on the field. A big boost to the team this year.

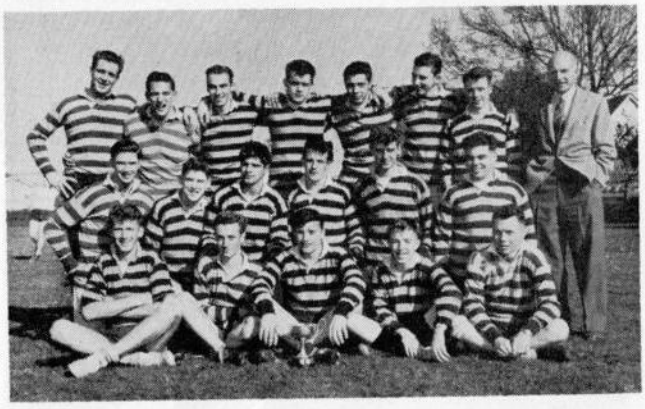
Dennis Ableson—Speedy little "break", out-classed and outplayed many of our larger opponents. A fine example of a team player.

Keith Gray—"Break". Keith could be counted upon for a fine game and some snappy take-aways.

JUNIOR RUGBY

Senior "B" Rugby

Mr. Tucker coached a new Senior "B" team this year, a team without experience. Hampered by the lack of transportation and the lack of sweaters, they split their only two games. With the able assistance of Dave Walker (this year's captain), they beat Esquimalt 8-3 but dropped a 0-9 decision to Oak Bay.



John Roberts—Prop. Tall John made a fine showing for his first year. Could snap the ball out of any line-up.

Bob Grivel—2nd rank; **Frank Grivel**—2nd rank. Never mentioned apart. These two boys combined brawn with a lot of fine plays. Biggest players on the team, and both awfully hard to stop.

Dave Sheldrick—Spare. The Mighty Mite. Little Dave could play almost anywhere and be depended upon. He's small in stature but big in spirit.

Frank Came—Prop. Team Captain. The man who really held the team together.

"7-ASIDE"

Badminton Club

This year the badminton club had a very successful season with a record number of players turning out. Large numbers of entries signed up for the three tournaments; a doubles, a mixed doubles, and a singles.

This year's executive consisted of Jim Hawthorne, president; Jim Peters, vice-president; Pauline Smith, secretary; Doug Dickie, treasurer.

Randall Smith and Ray Sam were in charge of tournaments and Bud Foster looked after the equipment. Mr. Pluym, Mr. Glover, and Mr. Taylor were enthusiastic sponsors this year.

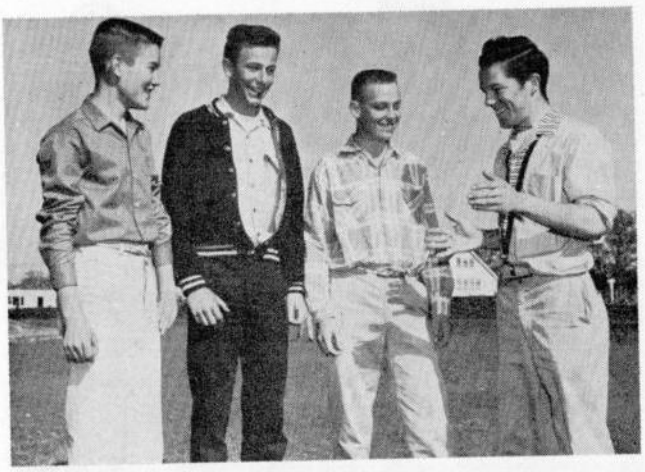
Cross Country

This year's squad had a perfect record. Through hard training in all types of weather, the boys of the open road had an outstanding season. They have trained most diligently since the middle of September ('58) through to March ('59), three days a week, and covered roughly three hundred miles. The Cross Country team has had by far the longest season of any team in the school; with this hard training, Mr. Hartley's team has trounced all mainland and island teams with an unbeatable weapon—top condition.

With the remarkable record of eleven races won and none lost, the team consisted of such spark plugs as Tommy Burgess, Allan Valiant, Winston Jackson, Jamie Robertson (captain), Palle Jenson, Martin Jay, Eric Carlsen and Alf Lincoln. Next year should be an even better year for Mr. Hartley's team because he will retain most of this year's runners.

Table Tennis

This year's Table Tennis Club, sponsored by Mr. Francis, completed a very successful season by winning the Inter-High Table Tennis Tournament and regaining the perpetual trophy from Oak Bay. Members of the executive who so capably handled the club's activities are: Terry Cox, president; Ray Harris, vice-president; and Barbara Payne, secretary-treasurer.



CJVI TEAM

Curling Club

Under the leadership of president Les Brice, the Curling Club has left its mark on Vic. High this year. In March the rink skipped by Les Brice and including Roger Pick, Steve Holborn and Ted Espley won the CJVI Trophy for inter-school competition. The executive included Donna Smith, vice-president; Lynne Speller, secretary; and John Balloch, treasurer. Thanks go to Mr. Hardie, our sponsor, for an enjoyable year.

Referees' Club

Under the sponsorship of Mrs. Esselmont, the Referees' Club was formed to teach interested girls the rules and regulations of certain sports in order to enable them to assist in the running of these sports in the Girls' Inter-house League.

This year the Club was active in refereeing all girls' house sports, inter-high grass hockey games and the staff-student volleyball game. These girls all acted as ballboys and linesmen at the exhibition tennis match and as officials at the Girls' Island Basketball Tournament. During the Inter-house Track Meet the Referees' Club assisted as judges and scorers.

Junior Girls' Basketball

Co-captained by Coleen Henrikson and Helene Knott and coached by Miss Bassett, the junior girls showed themselves to be excellent potential for next year's senior team. Since being formed just after Christmas, the club made a fine showing in the league.

Senior Girls' Basketball

Despite stiff competition from other schools, the Senior Girls' Basketball team made a fine showing throughout all their games and in the Island Tournament.

The girls wish to extend their most sincere thanks to Miss Bassett who gave up a great deal of her time to coaching and helping the team.

Captain of the team this year was Gail Archibald and by the looks of things, next year's team should be a good one as most of the players are remaining with us.

Hillside Bronchial Cough Syrup

Track and Field Club

The track and field club completed a fairly successful first year under the capable sponsorship of Mr. Boldt. The executive consisted of Sandra Futcher, president; Dave Haegert, vice-president; and Gail Archibald, secretary-treasurer. Mr. Boldt managed to procure some fine speakers who gave us several interesting and informative talks on track and field.

Bowling Club

V.H.S. Bowling Club has had a most enjoyable and successful year under its executive: Malcolm Shanks, president; Flo Chan, vice-president; Norma Shaw, Pat Lore, Bud Foster, Marilyn Smith, Lois Earl and Jane Lang, secretary-treasurers. The club has doubled its membership of last year and approximately one hundred and twenty students have been bowling on Monday, Wednesday and Thursday at Capital City Bowladrome. A tournament was arranged with Oak Bay, Esquimalt and Mount View participating, and it was a great success. The entire club wishes to thank its sponsor, Mr. Routley, for his consistent support.

Tumbling Club

Although getting off to a fairly slow start, this year's Boys' Gymnastics Club has had a very successful season. Coached by Mr. Tucker and Verne Simpson, they put on a demonstration of boxwork during intermission at a Totem game. The club also went to a gymnastic meet at U.B.C., where it placed second in three events. The season ended with a demonstration of boxwork for a physical education show at Central Junior High School.
